How to use Gaucho Health Insurance when Student Health is closed

1. Bring your GHI Aetna ID card and use Aetna network providers for the least cost. If you don't have one, go to the following site: [www.aetnastudenhealth.com](http://www.aetnastudenhealth.com)
2. Aetna 24/7 Health Line: 800-556-1555
3. Co-pays are $50 for urgent care and $100 for emergency department unless admitted to the hospital.
4. Return to SHS during regular hours for follow-up appointments.

* Referrals are needed for all non-emergency visits outside Student Health if you are within 50 miles of UCSB!

---

* The University does not recommend, endorse, warrant or guarantee any specific provider of medical services, or any product or service that they may offer and will not be a party to any transaction between you and such providers. The names of these medical providers are for your information only. As with the purchase of any product or service it is your responsibility to use your best judgment in the selection of an appropriate medical provider.
