

Internship Program Admissions

Date Program Tables were updated: 10/15/19

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The internship at Counseling and Psychological Services is designed to facilitate a comprehensive training experience spanning the full range of university counseling center and health service psychology activities. These include individual and group therapy, psychological assessment, crisis intervention, outreach and consultation, and the clinical supervision of practicum students. We seek applicants who desire intensive training in these areas. As we serve a highly diverse student population, and an important part of our overall aim is to prepare culturally competent psychologists, we seek candidates who demonstrate a solid foundation of self-awareness and a commitment to multicultural competence.

Does the program require that applicants have received a minimum number of hours of the following at the time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	NO	YES	Amount: 500 hours
Total Direct Contact Assessment Hours	NO	YES	Amount: N/A

Describe any other required minimum criteria used to screen applicants:

Must be a current doctoral-level student in an APA Accredited Counseling or Clinical Psychology program. Must be certified by the program as being ready for an internship.
